

Pilot Program Webinar on 5/4/2015

The Office of Program Administration will be hosting an outreach webinar regarding FHWA's implementation of the Contracting Initiative pilot program on Monday May 4, 2015 from noon to 1:00 PM EDT. You'll recall from the announcement of the pilot that DOT is particularly interested in projects for which recipients and subrecipients wish to utilize a local or other geographic labor hiring preferences, economic-based labor hiring preferences (i.e., low-income workers), and labor hiring preferences for veterans.

FHWA Division Offices are encouraged to share the registration information with their State DOTs and other recipients; however due to the limited number of phone lines, State participants are encouraged to host joint sessions. The webinar will be recorded and a link to the recorded webinar will be posted when available.

You may register for the webinar at the following link:

Please contact Jerry Yakowenko (202-366-1562) or John Hoyer (651-291-6111) with any questions.

Thank you.
